Translation of extract from the copy of the leaflet annexed herewith.

***** Musalmans! who are you going to vote for? For the servants of Rahim (Worshippers of God) or for the slaves of Rama (Hindus) ***** Musalmans! don't be deceived. See what class of men Suhrawardy Sahebs are setting up against Sir Abdur Rahim. First, Abdul Wahab who is an inhabitant of Burdwan district and who is a resident in his father-in-law's district, Hooghly. One of his brothers, Abdul Mabud, was a well-known Bhanr (buffoon) and the self-same brother is now a cook and Kjejmatgar of a European at Park Street. Second, Yusuf Ariff whose elder and respected brother repeatedly asked him to withdraw from opposing an able and esteemed personage like Sir Abdur Rahim. He had openly announced it at the Halliday meeting, but Yusuf Ariff did not listen to the request of his brother. Out of regard for the wishes of Suhrawardy Sahebs he spurned the request of his elder and respected brother. Now if the same Suhrawardy Sahebs ask him to defend the Hindu Sabha which they are doing themselves will not Yusuf Ariff then listen to them? ***** Can such a man who rebels against his own brother do any good to his community? ***** The men of Suhrawardy Sahebs along with the Hindus are knocking about in search of such low class Musalmans who will vote or secure votes against Sir Abdur Rahim by selling their religion for a few coin from the Hindus.

3. No roof of any house shall be built overhanging any public drain or public road, nor shall any other portion of the house project beyond the line of houses on both sides.

4. Models and type-plans of privies approved by the Commissioners in meeting, with estimates of the cost of constructing privies in accordance therewith, shall be kept in the municipal office and shall be open to inspection by any person at all reasonable times without charge, but no person shall be bound to construct any privy in accordance with any such model or type-plan, if the same be constructed in accordance with the other rules on the subject contained in these rules.

5. (1) A drain must be provided for every privy.

(2) Such drain must be constructed of some impervious material and must connect the floor of the privy—

- (b) the privy must be so constructed as to afford adequate access to the said space for the purpose of cleansing such space and of placing therein and removing therefrom a proper receptacle for sewage,
- (c) the said receptacle must be water-tight and must be made of metal, well-tarred earthenware or glazed stoneware, and must be of such construction and shape as will admit of its being easily removed and emptied of its contents,

Orders and Notifications by the Governor of Bengal, the Government of Bengal, the High Court, Government Treasury, etc.

ORDERS BY HIS EXCELLENCY THE GOVERNOR OF BENGAL.

No. 8501A.—*The 27th July 1927.*—Whereas the validity of the election of Maulvi Abdul Latif Biswas by the Dacca West Rural (Muhammadan) constituency as a member of the Bengal Legislative Council has been brought in question by an election petition duly presented by Maulvi Raihanuddin Ahmed under the provisions of Part VII of the Bengal Electoral Rules: and whereas in accordance with the provisions of rule 45 of the said Electoral Rules, the Commissioners appointed for the trial of the said petition have duly submitted their report to the Governor. Now, therefore, in pursuance of sub-rule (3) of rule 45 of the Bengal Electoral Rules and in accordance with the report of the said Commissioners, the Governor is pleased hereby—

- (1) to declare the election of Maulvi Abdul Latif Biswas as a member of the Bengal Legislative Council for the Dacca West Rural (Muhammadan) constituency to be void;
- (2) to direct that the said Maulvi Abdul Latif Biswas shall pay to the petitioner Maulvi Raihanuddin Ahmed the sum of rupees one thousand as costs;
- (3) to declare that the petitioner Maulvi Raihanuddin Ahmed who has under the provisions of the Bengal Electoral Rules claimed the seat has not been elected; and
- (4) to publish the said report.

W. D. R. PRENTICE,

Chief Secretary to the Government of Bengal.

In the Court of the Commissioners appointed under Rule 36 (2) (a) of the Bengal Electoral Rules.

The 30th June 1927—Dacca.

In the matter of Maulvi Raihanuddin Ahmed, *Petitioner*,
versus

1. Maulvi Abdul Latif Biswas, *Respondent No. 1*,
and
2. Maulvi Abdul Ghani Chowdhury, *Respondent No. 2*.

Report.

The petitioner, the two respondents, and one Khawja Soleman Kader were candidates for election to the Bengal Legislative Council from the Dacca West Rural Muhammadan constituency. Khawja Soleman Kader withdrew his candidature. The three remaining candidates contested for the seat with the following result. The Respondent No. 1 polled 1,753 votes, the petitioner 911 votes, and the Respondent No. 2, 825 votes. The Respondent No. 1 was therefore declared elected. The petitioner questions the election of Respondent No. 1 on the grounds mentioned in his petition which was published in the *Calcutta Gazette*, dated the 14th April last. He also claims the seat.

The Respondent No. 1 denies the allegations made in the petition. The Respondent No. 2 has not appeared.

The charges against the Respondent No. 1 are :—

Bribery,
Undue influence,
Personation,
Payment of boat hire to voters.

It is also alleged that the ballot papers of illiterate voters were not marked by the Presiding Officer as required by law at Malochi and Sivalay, and that the voters' list of Gala and Putai unions were not correctly prepared.

Lastly, it is alleged that the return of election expenses filed by the Respondent No. 1 is incorrect and false in material particulars.

The charge of bribery may be divided into following heads :—

Actual payment of money to voters,
Offer of money to purchase votes,
Offer of money to the Respondent No. 2 for withdrawing his candidature, and treating of voters.

Actual payment of money to voters.—It is alleged that the Respondent No. 1 paid Rs. 2 to Rahisuddin Ahmed, voter No. 68 of Baniajuri union, on 20th November 1926, with the object of inducing him to vote for him. Three witnesses Rahisuddin, Abdul Hakim and Anwarul Haq Chowdhury were examined to prove this charge. Rahisuddin says that he was unwilling to accept the money, but that it was put into his pocket by the Respondent No. 1 as *nazar*, he being a Pir. Rahisuddin does not appear to us to be a reliable person, because upon the evidence we are satisfied that he sent a chit to the Respondent No. 1's father demanding Rs. 20 for deposing in this case for this respondent. Moreover, if he is believed, he is a party to the crime and ought not to be relied upon unless corroborated by independent and reliable evidence. The testimony of the other two witnesses does not carry conviction to mind. We therefore hold that this charge has not been made out.

It is alleged that the Respondent No. 1's agent Osman Ghani Laskar purchased the votes of Chini Bepari, Abdul Kader Bepari, Yusuf Ali, Sarash Khan, and Mamtazuddin Bepari at Shekharnagar polling station by payment of Rs. 2 to Chini and Re. 1 each to the others on the 20th November 1926. Six witnesses have been examined to prove this allegation. The testimony of the three witnesses, who are party to the alleged crime, cannot be safely relied upon. The testimony of the other three witnesses does not impress us favourably. Moreover, there are irreconcilable discrepancies in their evidence. The evidence is hopelessly contradictory as regards the time of the alleged payments, which are said to have taken place at the same time. The homeopathic doctor Manoranjan Babu is not likely to have met the voters on his way to the *hat*, as they admittedly came in a boat. We are therefore not satisfied that he had any conversation with Mamtazuddin as alleged by him. We accordingly hold that this charge has not been established.

Offer of money to purchase votes.—It is said that Abdul Habib Biswas, father of the Respondent No. 1, requested Doctor Ilahadad Khan to purchase the votes of the voters of Ajimnagore union at Rs. 2 per vote. Upon this point there is only the testimony of Ilahadad Khan and Hafej Azizur Rahman. Abdul Habib Biswas denies making any such offer. It is very easy to make a charge of this kind, but it is extremely difficult to meet it. It is said that the offer was made in a shop at Jhitka Hat in the presence of others. This seems improbable. We are not disposed to believe the petitioner's witnesses. This charge therefore fails.

Offer of money to Respondent No. 2 for withdrawing his candidature.—It is alleged that the Respondent No. 1 offered Rs. 2,000 to the Respondent No. 2 at the latter's residence in this town on the 3rd of October last or thereabout with the object of inducing him to withdraw his candidature. The Respondent No. 1 stoutly denies this allegation. Three witnesses have been examined in support of this charge. They are A. F. Nurannabi, Abdul Ghani Chowdhury and Ramanuddin Ahmed, all of whom are pleaders practising here. Nurannabi's story is that at about 8 or 8-30 P.M. on the 7th November last, *i.e.*, the day previous to the date of scrutiny, the Respondent No. 1 requested the Respondent No. 2 to withdraw his candidature on receipt of his election expenses. Abdul Ghani Chowdhury says at about 8 P.M. on the 3rd November, *i.e.*, the day previous to the date of nomination, or on the 7th November, *i.e.*, the day previous to the date of scrutiny, some one in presence of Abdul Latif asked him to withdraw his candidature on receipt of Rs. 2,000 from Abdul Latif. He further states that almost all the Muhammadan pleaders, namely, Nurannabi, Mamtazuddin, Naimaddin Ahmed and Ramanuddin Ahmed were present when the proposal was made to him. Ramanuddin Ahmed says that he does not remember if any one ever proposed to Abdul Ghani Chowdhury to withdraw his candidature. Naimaddin, though cited as a witness, has not been examined. Mamtazuddin who has been examined by the Respondent No. 1 says that in his presence there was no suggestion to Abdul Ghani Chowdhury to withdraw his candidature. From his testimony and that of the Respondent No. 1 it appears that the latter arrived at the former's house in this town on the night of the 7th November at 10 or 11 P.M. An entry in the return of expenses submitted by the Respondent No. 1 shows that he did not come on the 7th November in the steamer, but in a motor launch. This shows that he started at a late hour of the day from Manikganj and reached here at about 10 P.M. If this is true, it is not likely that any proposal could have been made at 8 or 8-30 in the evening. It is said that not only all the Muhammadan pleaders, but also Khan Bahadur Zahiruddin, the election agent of the petitioner, was present when the proposal is said to have been made. The Khan Bahadur has not come to the witness box. It also seems to us improbable that a proposal of this nature would be made so openly. The testimony of Nurannabi does not agree with that of Abdul Ghani Chowdhury. They also came to depose at a late stage of the hearing, *i.e.*, after the case of the petitioner was closed. Besides, the testimony of two pleaders, namely, Ramanuddin and Mamtazuddin, does not support their story. In the circumstances we consider it unsafe to act upon the testimony of the petitioner's witnesses and to give a verdict in favour of the offer of money to the Respondent No. 2.

Treating.—It is alleged that the Respondent No. 1 and his agents treated the voters at 36 polling stations, but evidence was adduced only with regard to ten polling stations, *viz.* :—

- | | |
|--------------------|-------------------|
| 1. Manikganj. | 6. Malochi. |
| 2. Baniajuri. | 7. Satoria. |
| 3. Lesraganj. | 8. Siddeswari. |
| 4. Bangabaria hat. | 9. Sonarang. |
| 5. Munshiganj. | 10. Sekharnagore. |

The Respondent No. 1 was admittedly present at Manikganj and Baniajuri. His agents are alleged to have treated the voters at the above ten polling stations with his knowledge and connivance. We will deal with the treating at Baniajuri first. To prove this allegation ten witnesses have been examined for the petitioner and three for the Respondent No. 1. Two of the witnesses of the petitioner are pleaders, who admittedly helped the Respondent No. 1 in canvassing for him on the date of polling. Their evidence unmistakeably shows that the voters were treated, but they are unable to say who paid for the sweets given by the *metaiwalla* to the voters. Pleader Harendra Babu says that some of the voters told him that they were entertained by the Respondent No. 1 with sweets. He also says that he once saw Respondent No. 1's agent and clerk (Rakibuddin) taking some voters to the *metaiwalla*. It also appears from his evidence that the Respondent No. 1 borrowed from him Rs. 30 at the polling station for expenses. These expenses might have been the price of sweets supplied to the voters. The pleader Bani Bhusan Babu says that sweets were distributed among the voters by a sweetmeat seller, but at whose instance this was done he cannot say. He saw about 100 persons being entertained, and the majority of these persons according to him were voters. Men of both parties, among whom were voters, informed him that the Respondent No. 1 Abdul Latif entertained the voters. If the evidence of these two witnesses is believed, there is no doubt that the voters were entertained by Abdul Latif's men with his knowledge and connivance and at his expense. Abdul Latif, the Respondent No. 1, admits that these two pleaders were his friends and helpers at the time of the election, but he says that he is now on bad terms with them, as they are in the party of Jyotis Babu, Pleader, whom he has ousted from the secretaryship of the Manikganj Co-operative Bank. Besides the statement of the Respondent No. 1, there is no evidence to show that these two pleaders have anything to do with Respondent No. 1's dispute with Jyotis Babu. It appears that Imanuddin Ahmed, a graduate and a teacher of a school at Terosree, was the polling agent of the Respondent No. 1. There is no explanation for not examining this gentleman. It is admitted that Bejoy Babu, the president panchayat, is a friend of the Respondent No. 1 and that he treated the Respondent No. 1 on the date of election. The evidence of Harendra Babu shows that Bejoy Babu attended the polling

station. There is also no sufficient explanation for not examining him. We are, therefore, disposed to believe the testimony of the pleaders Harendra Babu and Bani Babu. The testimony of Harendra Babu and Bani Babu has been corroborated by eight witnesses. It is said that out of these witnesses Mahammad Molla is not a voter. It appears that one Ahammad Molla and not Mahammad Molla was a voter. Even if the testimony of Mahammad Molla is discarded, there is the testimony of seven other persons. The testimony of these persons shows that the voters were entertained with sweets, *pan* and smoke by the Respondent No. 1's agents. Out of these five voted for the Respondent No. 1. Four of them were entertained before the voting and one after the voting. On the side of the Respondent No. 1 three witnesses have been examined, including the respondent. Upon consideration of the whole evidence we are disposed to believe the petitioner's witnesses and hold that the voters were treated by the Respondent No. 1's agents with his knowledge and connivance for the purpose of influencing them to vote in his favour. That being so, the case falls under rule 44 (1) (b) of the Bengal Electoral Rules, and the election of the Respondent No. 1 is liable to be set aside.

In view of the above findings with respect to treating it is not necessary for us to record our findings as regards the treating at other places.

Undue influence.—It is alleged that one Pir Nawab Miah of Bidarpur in the district of Faridpur, brother of the well-known Pir Badsha Miah, being requested by the Respondent No. 1, issued a post-card and a manifesto to his innumerable disciple-voters before the election, directing them to vote for the Respondent No. 1, and that the language of the manifesto clearly shows that the Pir attempted to interfere with the free exercise of the electoral right of the voters. It is an admitted fact that the Respondent No. 1 got 1,000 post-cards and 5,000 manifestoes printed at the Manikganj Press. Upon the evidence there cannot be any doubt that the manifestoes bearing the signature of Nawab Miah were distributed among his innumerable disciple-voters. This is proved by the petitioner's witnesses Omar, Jonabali, Kazi Safiullah and Dabiruddin Fakir. Hazi Pachu Bepari and Hazi Sona Miah who voted for the Respondent No. 1 are the disciples of Pir Nawab Miah. They say that they received the post-card and manifesto bearing the signature of Nawab Miah and that they voted for the Respondent No. 1, being under the impression that they would be sinning if they did not carry out the request of their Pir. In the manifesto the Pir states that it is the duty of every voter to vote for the true patriot, that votes should not be sold, that having regard to the present miserable condition of the Muhammadan community everybody should go to the polling station and vote, and that if he does not do so he will be responsible to God. Lastly he makes a request to the voters not to sit at home on the date of election, but to go to the polling station and vote and cause others to vote for the selfless and patriotic Maulvi Abdul Latif Biswas and obtain untold merit. In the case of Galway it was observed, "Undue influence will be used if ecclesiastics make use of their power to excite superstitious fears or pious hopes, to inspire despair or confidence, to alarm the conscience by the horrors of eternal misery, or support the drooping spirit by unfolding the prospect of eternal happiness—that good or evil which is never to end." It is a matter of common knowledge that the Pirs in India have an extraordinary influence over their disciples. It is therefore not unlikely that the disciples of Nawab Miah thought that they would be sinning if they did not listen to his request as made in the manifesto. Upon reading the whole of the manifesto we have no doubt in our mind that its language was calculated to interfere with the free exercise of the electoral right of the voters by exciting their superstitious fears and pious hopes. We are satisfied upon the evidence that the Respondent No. 1 himself is responsible for this undue influence. We hold that there was undue influence and that the Respondent No. 1 himself is responsible for it. Therefore his election is liable to be set aside. (See rule 44 (1) (b) and schedule 5, part 1, section 2.)

Upon the evidence we are not satisfied that any undue influence was exercised at Malochi and Sonarang.

Personation.—Out of six cases of personation alleged in the petition evidence was given in respect of one only and that at Malochi. The factum of personation in that case is admitted. Isoo was voter No. 1 of Kanchanpur union. Nabu, his brother, came and secured a ballot paper falsely giving himself out as Isoo and voted for him. When he was about to put the ballot paper into the ballot box he was challenged by Asadulla, the polling agent of the petitioner. Nabu at once admitted before the presiding officer that he was Isoo's brother and that he was told that he could vote for his brother who was lying ill at home and could not come to vote. The presiding officer cancelled the ballot paper and put it aside in a separate envelope and sent it on as a challenged and cancelled vote. These facts were admitted by the Respondent No. 1. Now, the question is at whose instance was this personation done or, more correctly, attempted? The Respondent No. 1 claims immunity on the ground of ignorance and says that neither he nor any of his agents was responsible for it. It has, however, been abundantly proved by the petitioner that Nazimuddin Sikdar identified Naboo as Isoo. Asadullah, the polling agent petitioner's witness No. 37, Kazi Azaharul Islam, petitioner's witness No. 38, and Aftabuddin, the acting president of the union, petitioner's witness No. 71, swear to that effect. They also say that Naboo, when questioned by the presiding officer, said that he was brought by Nazimuddin Sikdar and that he voted for his brother as requested by Nazimuddin Sikdar. In this particular they were corroborated by Afiladdin, petitioner's witness

No. 39, a clerk of the Collectorate deputed to help the presiding officer. In reply to this evidence the learned pleader for the Respondent No. 1 refers us to the evidence of Sasanka Babu, the presiding officer, and Harendra Babu, the Respondent No. 1's polling agent. Sasanka Babu was an unwilling witness and he says he does not remember who identified Naboo and whether Nazimuddin was present. He next says that he did not see Nazimuddin at the polling station that day. He further says that he noted what Naboo said and made a report. This report is not before us and is missing. Harendra Babu, the polling agent of Respondent No. 1, corroborates the petitioner's witnesses in all particulars except the presence of Nazimuddin. Girish Babu, a pleader who was canvassing for the Respondent No. 1 at Jhitka, comes to prove this alibi. The fact of Nazimuddin's voting at Jhitka on that very day is put forward as conclusive on the point. Furthermore, the allegation of the petitioner in paragraph 4 (a) of the petition has been brought to our notice to disprove the statements of petitioner's witnesses. There it is stated that Naboo was induced by Rakibuddin and other agents of the Respondent No. 1 to come and vote for his brother. Now, if the petitioner's witnesses were perjuring themselves by bringing forward Nazimuddin as the identifier, what, we wonder, prevented them from substituting Rakibuddin's name in place of Nazimuddin? Both were canvassers and agents of the Respondent No. 1 and one was as good as the other. The witnesses Nos. 1, 2, 50 and 74 of the petitioner swear that Nazimuddin was agent of and worked for the Respondent No. 1. "Rakibuddin" was not exhaustive. "Other agents" might very well include Nazimuddin. Then the fact of Jhitka being only 2 or 2½ miles from Malochi as the settlement map and oral evidence show does not make his presence at both stations extremely unlikely or highly improbable. However that may be, the evidence of Isoo, the voter, sets all these surmises and conjectures at rest. He swears that Nazimuddin came to his house in the morning and asked him to vote for Abdul Latif. On his pleading inability to go to vote on account of illness, Nazimuddin said that his brother Naboo might go instead and that that would do as well and that Nazimuddin accordingly took away Naboo with him. Now what evidence have we got to rebut this evidence? Nazimuddin Sikdar does not come forward to deny this statement. It is said he is ill and has gone to Madhupur for change. That is no excuse. He could have been examined on commission if he was so very ill. Isoo's evidence coupled with the evidence referred to above therefore makes it very clear that this personation was procured or attempted to be procured by Nazimuddin. This Nazimuddin is a close relation of Respondent No. 1, being his maternal uncle, and our finding as amply supported by evidence in the case that he was canvassing for him and was acting on his behalf in various ways to further his election constitutes him an agent under the election law. There is, however, no evidence on the record that the respondent had any knowledge of this corrupt practice, but the procuring or attempting to procure personation even by an agent falls under part 1 of schedule 5 of the Bengal Electoral Rules and is sufficient to render the election of the returned candidate void under rule 44 (1) (b).

Payment of boat hire to voters.—It is alleged that Munshi Muhammad Omar and Abdul Khaleq of Munshiganj, agents of the Respondent No. 1, brought about 20 or 25 voters in boats to Siddeswari and paid their boat hire. Munshi Muhammad Omar was admittedly an agent of the Respondent No. 1. His evidence coupled with the evidence of four other persons shows that the boat hire as alleged was paid. We believe this evidence, but, as it comes under part 2, schedule 5 of the Bengal Electoral Rules, and has not materially affected the result of the election, we hold that it does not vitiate the election.

The ballot papers of the illiterate voters not properly marked.—Sasanka Babu was the presiding officer at Malochi and Sivalaya. He admits that all the ballot papers of illiterate voters were not marked by him and that some were marked by his clerk. This irregularity does not materially affect the result of the election, as the number of illiterate voters at both stations does not exceed 100.

Voters' list of Gala and Putai unions not correctly prepared.—The correctness of the voters' list cannot be questioned before us, because as regards the qualification of voters the order of the revising officer is final.

Return of expenses.—We have next to deal with the return of election expenses filed by the Respondent No. 1. The petitioner's main contention in respect of the return is that it does not include various items of receipts and expenditure incurred in connection with the election, viz.—

Receipts.

1. Rupees 500 from Dr. A. Suhrawardy,
2. „ 250 from Manoranjan Banerjee, Secretary, Dacca Congress Committee,
3. „ 400 borrowed from Popular Bank, and
4. „ 50 brought from home.

Expenditure.

1. Rupees 75 remitted to Fazlu's mother by T. M. O.,
2. " 400 remitted to Abdul Hakim Bikrampur by T. M. O.,
3. " 500 remitted to Omar by T. M. O.,
4. " 125 paid to Omar,
5. " 50 paid to Azizul Huq,
6. " 20 remitted to Sultan Ahmed,
7. " 50 remitted to Mazzam Hossain,
8. " 60 remitted to Rakibuddin, and
9. " 110 got by Kazi Safiullah from Omar.

The return does not show any of the above items except an amalgamated sum of Rs. 825, remitted to Abdul Hakim and Omar.

In his written statement the Respondent No. 1 denies the receipt of Rs. 500 from Dr. A. Suhrawardy as contribution for his election expenses. When confronted with various telegrams and telegraphic money-order remitting the money he was forced to admit that he received that money and gave a pro-note for it. He, however, said that that money was not spent for his election expenses, but was applied to pay off the debts which he had contracted from Nasiruddin on 26th October 1926. The telegrams which passed between the Respondent No. 1 and Dr. A. Suhrawardy leave no room for doubt that that money was for election expenses for which he was then being very hard pressed. The debt from Nasiruddin appears to us to be a myth, for on the day the loan is said to have been contracted Respondent No. 1 was in Calcutta as proved by Exhibit 3 (b), a letter written by Gaisuddin to Abdul Hakim Bikrampur. Furthermore, on that date the Respondent No. 1 could have no necessity to incur such a heavy debt, he having in his hand on that day not less than Rs. 500 and odd. Then the simple fact of there being nothing in writing regarding this debt makes its existence extremely doubtful.

The evidence of Babu Manoranjan Banerjee makes it very clear that the Respondent No. 1 was given Rs. 250 from the Swaraj fund on account of his nomination money. This sum finds no place in his return.

The loan of Rs. 400 from Popular Bank was clearly for election purposes, notwithstanding the oath of Respondent No. 1 and his father to the contrary. The money spent and remitted by telegraphic money-order about the time of this loan makes it manifest. The nature of urgent demands by telegrams for money at that time strengthens that view, regard being had to the fact that Respondent No. 1's father has not produced his account papers, which he admittedly has.

From Exhibits 4 (b) and 4 (c) it is clear that the Respondent No. 1 went home for money and brought at least Rs. 50 on 16th November 1926, and sent the same by money-order on 17th November 1926 to Fazlu's mother. This amount also does not find place in the return.

With regard to the expenditure all the items mentioned above except two were remitted either by telegraphic money-order or money-order, but they do not find any place in the return except Rs. 825 sent to Abdul Hakim and Omar. The money actually sent to them amounts to Rs. 950. The expenditure column does not show an expenditure by them of more than Rs. 825. Now what became of the balance? The explanation is that some amount was spent for postage and telegrams and the rest, Rs. 60 or Rs. 70, was returned. There is, however, no account of postage and telegrams, and Abdul Hakim says that he kept no such accounts. With regard to the other items, except Rs. 20 sent to Sultan Ahmed, the Respondent No. 1 says that they were also returned. Besides the word of mouth of Respondent No. 1 and the testimony of Majam Hossain's son as regards Rs. 50 sent to Majam Hossain there is nothing to corroborate the alleged refunds. Respondent No. 1 constituted himself his election agent. He produces no account books to support his return or his oath. He says that he had some loose account papers, stitched together in the corner, from which he prepared his return of expenses at the house of pleader Mamtazuddin and left them there. He cannot say what became of them. According to the Electoral Rules the election agent has to keep separate and regular books of account and write therein all the particulars of receipts and expenditure, which are eventually to be shown in the return of expenses. The Respondent No. 1 does not appear to have kept any daily account. It is therefore impossible to rely upon the return and say that it is correct, as it is not borne out by the account books which he was under the law bound to keep. This flagrant disregard of the election rules makes his account hopelessly unreliable. The vouchers filed fare no better. Some of them seem to have been written at one and the same time. Two of them, namely, Nos. 1 and 7, clearly show that they have been antedated. In view of the facts discussed above we hold the return false in many material particulars. This finding does not by itself void the election, but serves to disqualify the Respondent No. 1 and may eventually lead to his seat being declared vacant under rule 22 (4).

Lastly, we have to consider whether the petitioner is entitled to the seat. Under rule 34 it is necessary to make all the nominated candidates parties to the petition when the petitioner claims the seat. It is an admitted fact that Khawja Soleman Kader was one of the candidates who were nominated at the election. As he has not been made a party to the petition, the petitioner's prayer cannot be acceded to. Besides, upon the evidence it cannot be said how many votes the petitioner lost in consequence of the

corrupt practices on the part of the Respondent No. 1, and we are not prepared to hold that but for the existence of the corrupt practices the petitioner would have been returned. There were three candidates at the election, and if Respondent No. 1 were not in the field it cannot be said with any degree of certainty that the petitioner would have succeeded. The Respondent No. 1 got 1,753 votes. These votes cannot be said to have been thrown away. In our opinion the voters should be given an opportunity of making a fresh choice. We therefore hold that the petitioner is not entitled to the seat.

In the result we recommend that the election of Maulvi Abdul Latif Biswas, the Respondent No. 1, be declared void and that a fresh election be ordered.

As regards costs the Respondent No. 1 may be directed to pay Rs. 1,000 to the petitioner.

2. The proposed plan will be taken into consideration on the 15th October 1927, and any objection or suggestion which may be received by the undersigned through the District Magistrate before that date will be duly considered :—

Plan.

1. The portion of the Bally Municipality which it is proposed to light with electricity is defined below :—

North—Bally khal.

East—River Hooghly.

South—A line as indicated by boundary marks, commencing from the river Hooghly at the eastern extremity of the road (now closed), formerly known as Joya Bibi Lane, but now included within the Central Jute Mill; thence along the line formerly occupied by that road to the existing Joya Bibi Lane; thence along the western and northern side of Joya Bibi Lane up to its junction with the bustee road at the south of the Victoria Cotton Mill; thence along the northern side of that road to its junction with Girish Ghosh Lane; thence across Girish Ghosh Lane to Chandalpara Lane up to its junction with Grand Trunk Road; thence along the western side of the Grand Trunk Road up to its junction with Kali Mozumdar Road; thence along the northern side of Kali Mozumdar Road up to its junction with Dharmatala Lane; thence along the eastern and northern sides of Dharmatala Lane to a point where it meets the East Indian Railway line at the centre of the up-passenger main line.

West—East Indian Railway line.

2. Two hundred and sixty electric lamps will be installed as shown in the accompanying statement. The Commissioners have decided to enter into an agreement with the Calcutta Electric Supply Corporation, Limited, for the installation of these lamps and for their maintenance at the annual rates Rs. 30-6-10 and Rs. 19-14-1 for each lamp of 60 and 30 watts, respectively, or at a total cost of Rs. 8,552 per annum.

3. The Commissioners at a meeting proposed to meet the charge to be incurred on account of lighting the aforesaid area by imposing an annual lighting rate of 2 per cent. on the annual value of the holdings situated within the area to be lighted as defined in paragraph 1 and within 100 yards on either side of the roads or lanes shown in the following statement and 100 yards beyond the last pole for street lighting on such roads or lanes. The income to be derived from the lighting tax from the aforesaid area is estimated to be Rs. 8,000. The present difference of Rs. 552 will be met from the general fund until the amount is covered by increased receipts under the head "Lighting tax" owing to the increased valuation of holdings.
